Job Title: Tig Welder

Classification: Hourly/nonexempt

Reports to: Manufacturing Manager

SUMMARY

The Tig Welder is responsible for welding parts together according to blueprints and customer specifications.

Primary Functions

- Familiar with reading blueprints.
- Strong understanding of different weld symbols.
- Comfortable with using measuring instruments (calipers, measuring tapes, gauges).
- Strong understanding of settings on a weld machine.
- Capable of welding in both Mig and Tig form.
- Able to stand 10-12 hours a day
- Ability to lift up to 50 lbs.
- Maintain acceptable productivity.
- Promote teamwork and a positive, healthy culture.
- Able to communicate efficiently.
- Comfortable following verbal and written directions.
- Willing to promote and stand by the company's purpose statement and core values.

Requirements

- Able to pass both a Mig and Tig weld test at Sargent Metal.
- Have previous welding experience in a professional setting.
